## Infranor Vela-8<sup>d</sup> Product Change Notification ■ February 1, 2008

In an effort to continuously improve, we at Sterner Lighting have been working to update the Infranor Vela-8<sup>d</sup> to give you new specifiable features and a cleaner updated look.

- New axial optics with T6 MasterColor HID lamps (SP-spot, NFL/MFL-narrow & medium flood, RN-rect. narrow)
- New 150W electronic ballast standard
- New composite direct-bury ballast box option (also to be available with the Capella-5<sup>d</sup>)
- New die-cast door eliminates concentric louver
- New yoke with aluminum aiming protractor

Please note the styling changes to the housing and door will take effect immediately on all future Vela-8<sup>d</sup> shipments.

Visit the all new [www.sternerlighting.com](http://www.sternerlighting.com)

Thank you for your continued support of Sterner Lighting.

Sincerely,

Sterner Lighting
