

VE8D

Infranor™ Vela-8^d

DIE-CAST ALUMINUM HOUSING AND BALLAST BOX

Heat sink fins dissipate heat, ensures cooler operation and longer component life

LIGHT-WEIGHT, DIE-CAST CONSTRUCTION

High-precision fit/sealed parts; Withstands rugged environments

ELECTRONIC BALLASTS

Available for maximum operating efficiency and energy savings up to 20%

ACCOMMODATES CERAMIC METAL HALIDE LAMPS (PAR & T6)

Ceramic Arc-tube technology for excellent color rendering and reduced glare (T6 lamps used with spun aluminum reflector)

DIE-CAST ALUMINUM SWIVEL

Protects wires from exposure and damage (Yoke style also available)

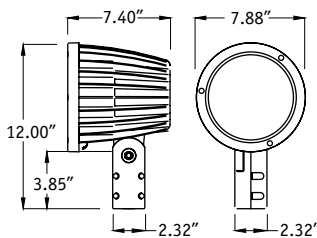

PRECISION FLOODLIGHTING
